

## Minto Chamber Member is named in Globe & Mail's 10 Businesses doing it right national competition

Ag Business & Crop Inc. is one of 10 regional winners of the Globe and Mail's Small Business Challenge contest.

The regional awards, which give each winner \$1,500 worth of Telus services or devices, recognize outstanding small businesses in the country's Atlantic, north, west and central regions.

Ag Business & Crop Inc. is passionate about introducing and educating both farmers and agriculture specialists on ground-breaking precision tools, which helps farmers to make 'sound farming' decisions from precision data, while improving their crops and maximizing efficiency in a sustainable way.

We take pride in Ag Business & Crop Inc.'s capability as a leader and an innovator in its industry, and are honored to be counted among the other regional winners.

### ABC Ag Business & Crop Inc.

Ag Business & Crop Inc. located in Palmerston, ON has been named among 10 regional winners in this year's Small Business Challenge contest, a national competition sponsored by The Globe and Mail and Telus Corp., that drew more than

3,400 entries this year. Ag Business sells precision agricultural technology such as drones and hydraulic probes for farm mapping, inspecting and soil sampling.
