On behalf of the board of directors, staff and myself, welcome to the Minto Chamber of Commerce. Let me encourage you to bookmark our website and check back often to stay apprised of chamber events and other news. www.mintochamber.on.ca

The Minto Chamber of Commerce is here to represent, serve and connect our members with the public, and to build and sustain a thriving business community. I am very pleased to share that we provide many great benefits for our members including networking, member benefits, and promotion of member businesses.

If you are new to the Chamber, please remember, the greater your involvement, the bigger the return on your investment. It takes time to understand all that the Chamber can do for your operation and to make connections with local businesses and community leaders. I encourage you to remain engaged with us.

I am pleased and honoured to be your President for 2014-2015. We are truly blessed and fortunate to live in a great province and amazing town. We welcome your feedback and look forward to hearing from you during the year. You; our community, is the foundation of the Minto Chamber of Commerce and together we will continue to make Minto an example of a strong community, growing business culture and families.

Yours Truly
Anthony Tsotros
2014/15 President

Message from our Mayor

The Town of Minto is proud of our strong relationship with the Minto Chamber of Commerce and our business community. 2014 is an exciting year for our partnership as together we will proudly open "LaunchIt Minto", a creative business incubator, which will be a hub for growth and innovation not only in Minto but in the region as a whole.

"LaunchIt Minto" strives to assist new businesses to start, grow and succeed in a creative environment. Businesses can take advantage of the numerous partnerships and resources that "LaunchIt" has developed including mentorship, training, wi-fi internet, access to private meeting rooms and board rooms, economical lease agreements and so much more. If you own a business in Minto or are thinking of starting one, stop in and visit "LaunchIt Minto" at 1 Elora St. in Harriston or check out the website at www.launchitminto.com

The Clifford Trail system starts at Rotary Park across from the arena and leads to several distinct areas of interest. Parking is free and there is no charge for enjoying our trails. Follow the blue markers. Hikers, bicycles, and mobility-assist vehicles are welcome, but the natural areas are only accessible to hikers, snowshoers and cross country skiers. The Recreational Trail is an easy walk in Rotary Park under trees, along streams and past soccer and baseball fields. Town streets are used to link this trail with the natural areas. Natural trails are rougher, often wet areas with minimal maintenance. The James Street Loop has three natural regrowth areas. The first is a smooth walk past Red Cedars. The centre, with hundreds of Ash trees, will be left untended. The northwest end will be planted with hundreds of small trees. Marshal Park, at Geddes and Cecilia, has been left unchanged since it was donated in 1902. The west end of Park Street road allowance is an undisturbed natural trail as is the former Rail Line cross trail.

- 17 Western Hills
- 18 Fisher Loop

Remember YOU use the trails at YOUR OWN risk

The Harriston Greenway Trail network offers a good selection of walks. A shady bush trail between the Cemetery and the Blind Line makes a great summer walk. The section between the Cemetery and the Conservation Area Park has been re-gravelled for walkers and cyclists. Parks joining the East end trails to West include the swimming pool park, the Fireman's park, the Horticulture park on Mill St. and the IODE park on John St. There is a rustic gazebo carefully constructed by the Kinsmen, tucked in the trees at the front of IODE park. What a unique gathering spot at the head of the West End trails. Follow the river from the IODE Park and loop back on the old CN rail line, or turn down the old CP rail line. A right at the bird feeder leads around the Western Hills loop. A left after the CP line meets the road and leads around the Fisher loop by the Maitland River one more time. Both are great cross-country ski routes. Over 1000 native trees and shrubs have been planted along the river corridor, parks and trails. That's better habitat for wildlife and people. Look in this book for the Committee listing for the Greenway and find out who is making things happen. Check out the Greenway trails. Minto's finest scenery is at your back door.

Jill Welsh,
Greenway Chairperson

Town of Palmerston

Look for an old steam engine chugging up to Main Street in Palmerston and you've found the White's Junction Trail. The White's Junction Trail runs along the former CN rail line north of the Town of Palmerston. To access the trail follow the signs on Main Street Palmerston, near the L&M grocery store. In the first block, please make note of the wildlife and plants. If you look closely you can see Pileated woodpeckers, blue jays, opossums, herons, deer, hawks, and turtles. A rare patch of prairie grass is located at the junction. There are more unusual plants along the trail including flowering spurge, trout lilies, butterfly milkweed, wild bergamot and thimbleweed.

Prairie Grass

Palmerston is home to one of the most northern sightings of tall Prairie grasses, including Indian grass and Big Blue Stem. The Prairie grass was enhanced in 2005 with over 2,000 plugs thanks to funding provided by the MNR.

Trees

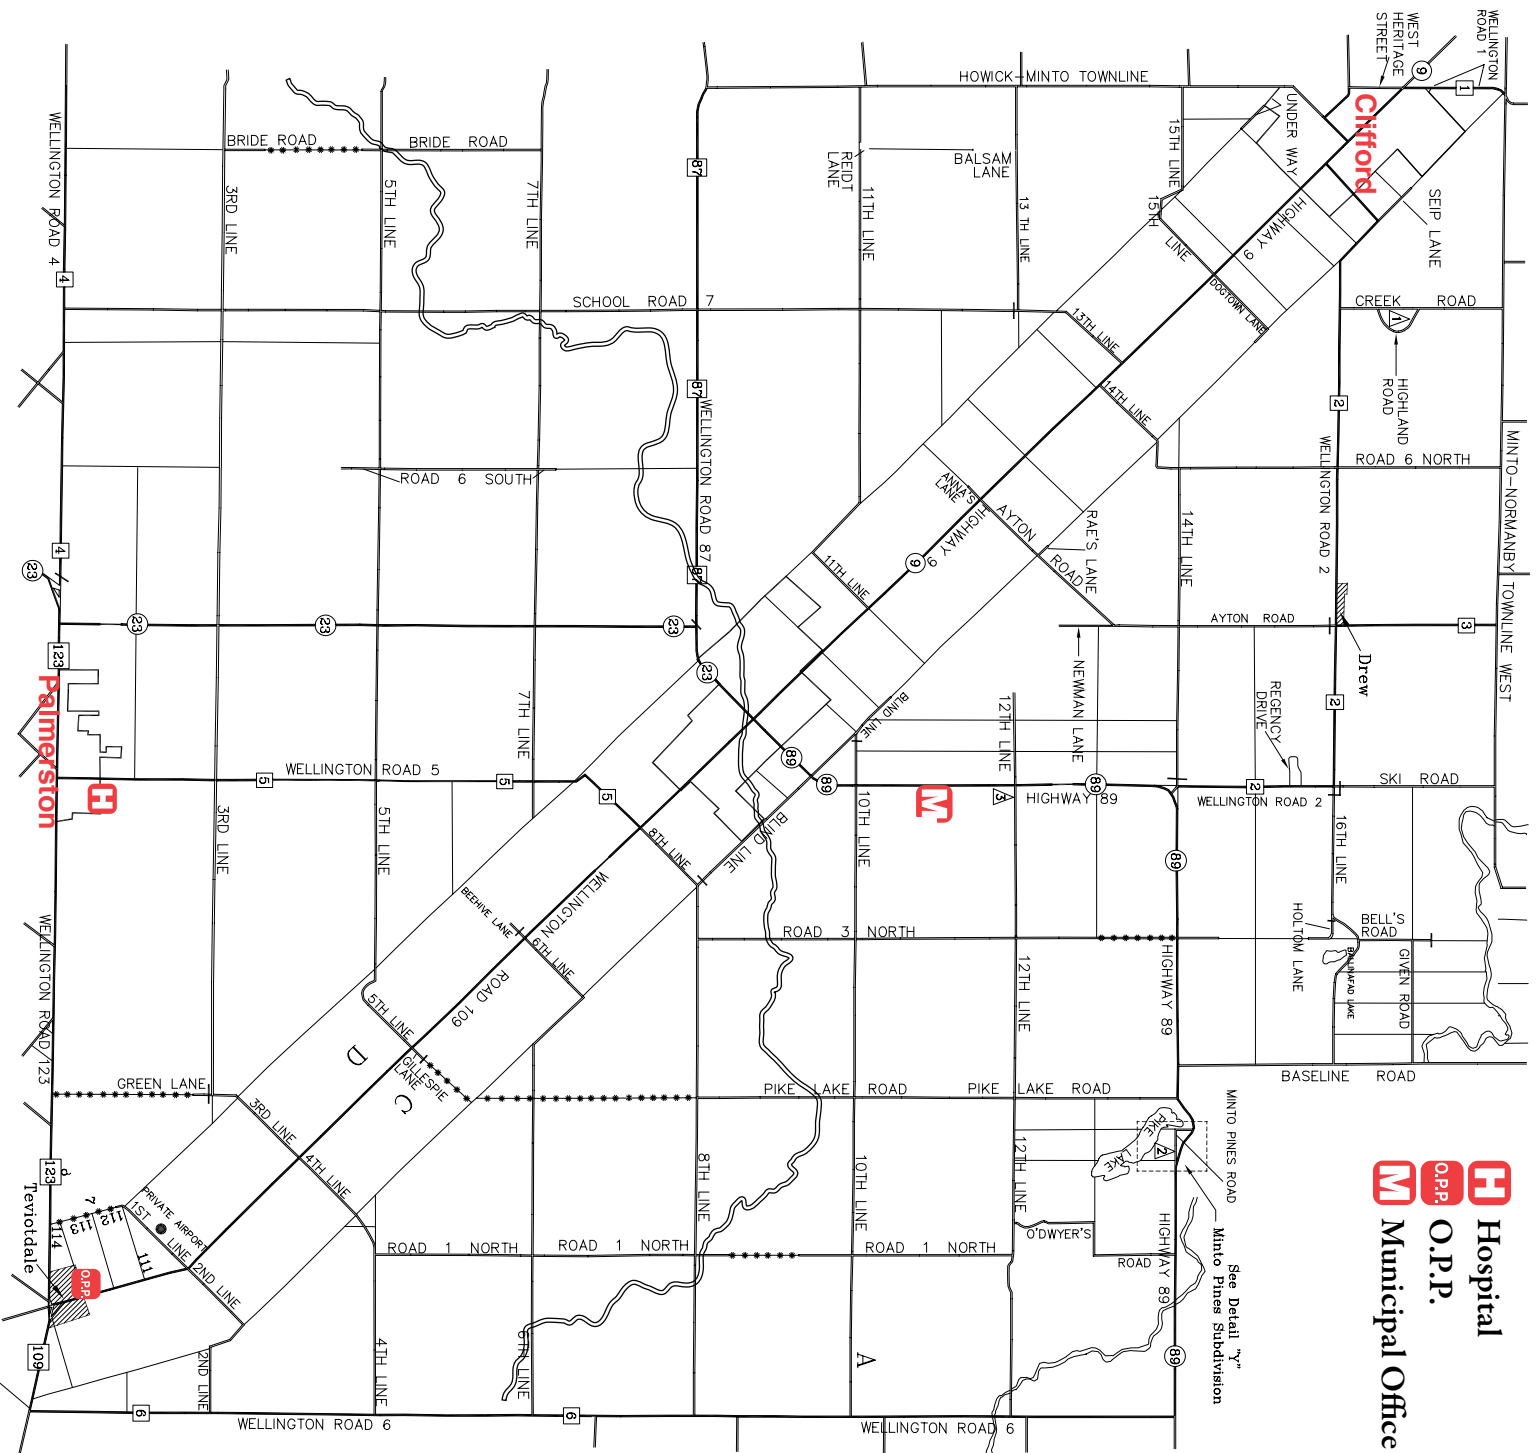

In the spring of 2007 & 2008, as part of the Wellington County Green Legacy Program the Palmerston Trail Association added a total of 250 trees to the 1000 trees that they planted in 2004.

Trestle Bridges

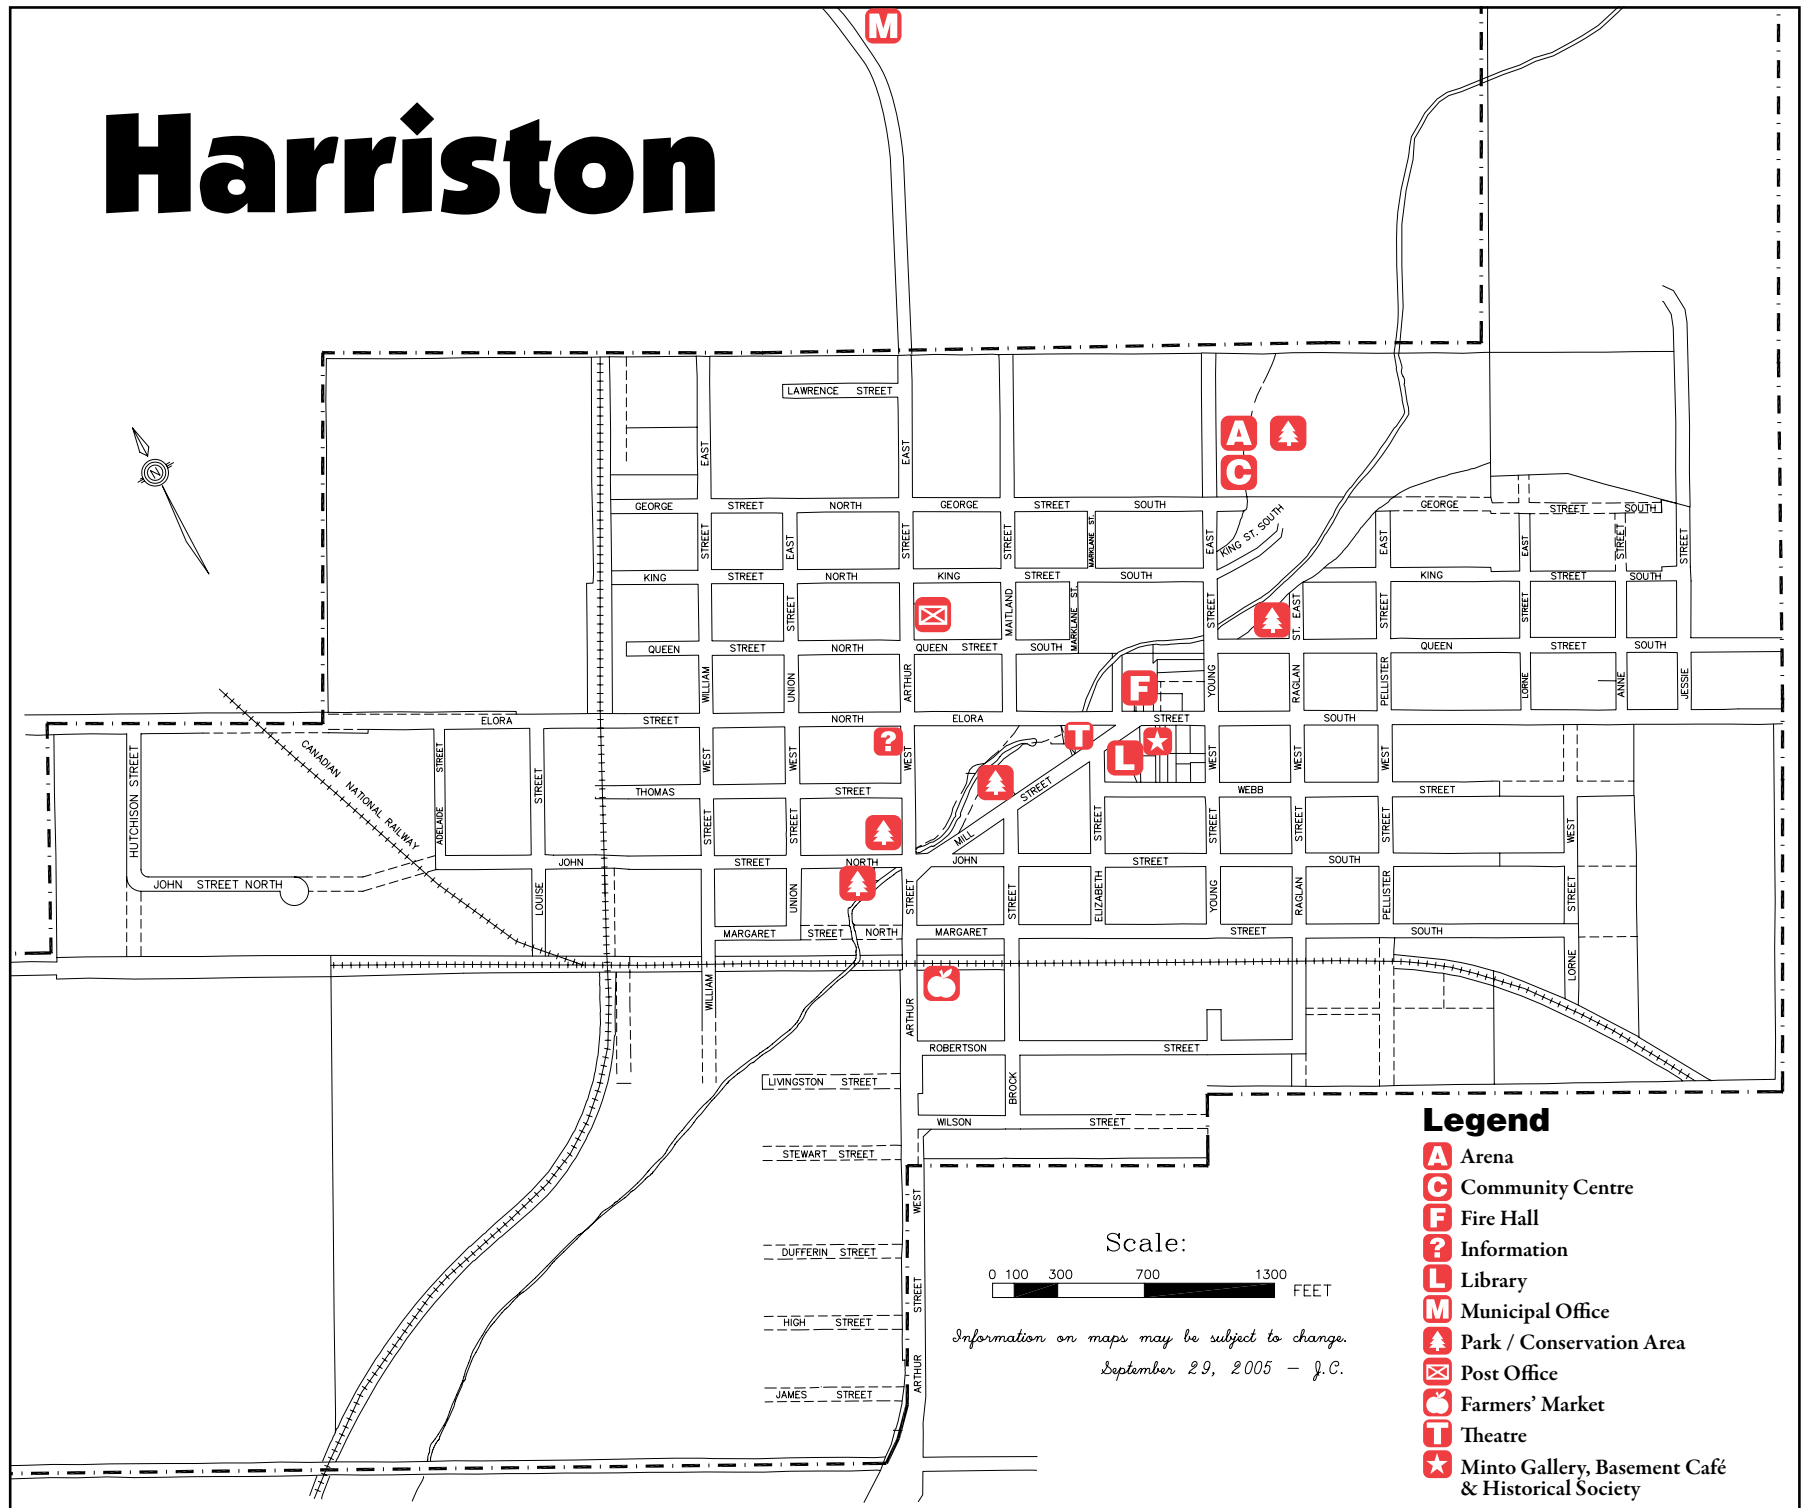

There are two old wooden trestle bridges on the trail. Most of these bridges have been removed, so we are fortunate to have two!
