*“Everyone is welcome here and encouraged to become engaged in the many groups, clubs and organizations that help make Minto the thriving community it is.”*

Since 2006, the Town of Minto has been committed to the Vision of Minto as being:

***“A progressive rural community where all people are welcome.”***

As the Mayor of the Town of Minto and having served on Council for 25 years my mission is simple: continue following the direction we have set forth, support initiatives proposed by staff and the community, and to continually strive to be the community “where your family belongs!”

In 2025, we continue to focus on demonstrating that we are a welcoming and inclusive community. Everyone is welcome here and encouraged to become engaged in the many groups, clubs and organizations that help make Minto the thriving community it is.

Minto is a successful and progressive rural community because of a strong

belief in partnerships and collaboration. Council, staff, and residents work as a team, supporting innovation and diversity to deliver quality programs, services, and events. By joining forces and resources we can accomplish more with less, as can be seen with our action-packed calendar of events that keep residents and visitors busy all year round.

Visiting our revitalized downtowns provides an unexpectedly diverse cross-section of entertainment, shopping, history, and food options – from the Grey-Wellington Theatre Guild and the Norgan Theatre to antique shops and everyday essentials, public art initiatives such as Cool Cones, Trendy Trains, and These Booths Were Made for Talking, renovated libraries, and the Palmerston Railway Heritage Museum.

Minto also boasts three arenas, two swimming pools, numerous ball and soccer fields, and acres of parkland and scenic walking trails that reflect

our commitment to respect the natural environment.

Minto is home to locally grown and made goods that reflect our agricultural heritage and entrepreneurial spirit.

Don’t miss unique farm gate offerings from Steckle’s Flowers & Produce, Alpaca Time, and Yungbluts Maples. Our one-of-a-kind Minto Farmers’ Market operates from the beginning of June until the end of September at the Palmerston Railway Heritage Museum.

Come join us for a day, weekend or make your move, and discover why Minto is Where Your Family Belongs!

# MINTO IS IN THE MIDDLE OF EVERYWHERE.

The Town of Minto is located in the north-western boundary of Wellington County, and is composed of the former Towns of Harriston and Palmerston, the former Village of Clifford and surrounding rural area of the former Minto Township.

In Minto, you're only an hour from the major centres of southern Ontario – including Kitchener-Waterloo and Guelph – and popular recreational areas along the eastern shore of Lake Huron and southern Georgian Bay.

An hour from the city, and an hour to the beach.  
What more could you ask for?

## CONSIDERING A MOVE TO MINTO?

In most small towns, you can expect to enjoy the slower side of life. But in Minto, we hustle hard to create communities where everyone feels like they're home.

Whether you're a former Mintonian looking to move back to be closer to friends and family, a city dweller looking for a more relaxed pace, or a business owner ready to relocate, [movetominto.ca](http://movetominto.ca) has all the information you need to make your move!

#### ABOUT THE CHAMBER

The Minto Chamber of Commerce was formed in 1999 following the amalgamation of the communities of Clifford, Harriston, Palmerston and Minto Township into the new Town of Minto.

As a larger group with representation from every corner of the town and businesses of all sizes, we work

closely with local government and other organizations to ensure the voice of local business is heard and plays a role in the future direction of our community.

The Minto Chamber of Commerce depends on the support of the local business community and active participation from many of the members to pursue our worthy mission.

## MINTO CHAMBER INITIATIVES ARE GUIDED BY A VOLUNTEER BOARD OF DIRECTORS MADE UP OF LOCAL BUSINESS OWNERS.

The Minto Chamber and its initiatives are guided by a volunteer board of directors. Unlike other Chambers, our board of directors is comprised entirely of Minto business owners – ensuring our initiatives and offerings meet the needs of our business community.

Joining the Chamber Board is an excellent way to stay connected to the business community in Minto, develop relationships with other business owners, and plan initiatives that support businesses across Minto.

The Chamber Board of Directors meets monthly to discuss local business issues and create strategic opportunities to meet the needs of our members.

To learn more about joining the Chamber Board, get in touch with Raisa Abraham, Business Development Coordinator, at [info@minto-chamber.on.ca](mailto:info@minto-chamber.on.ca) or call 519-510-7400. Members are always welcome to attend a board meeting to share their ideas.

THIS PROGRAM BRINGS THESE TWO GROUPS TOGETHER TO SUPPORT ONE ANOTHER, KEEPING MORE MONEY IN MINTO.

### FOR BUSINESSES

Sign up for the Think Minto First program by offering a percentage donation on gift certificate sales made by local not-for-profit organizations. At the end of each fundraising program, the Chamber sends you a cheque for gift certificate sales less your donation amount. This is a meaningful and efficient way to support the many groups that enrich our community.

### FOR ORGANIZATIONS

Your organization's volunteers sell gift certificates for participating Minto businesses. The Chamber helps manage the fundraising program by compiling orders and payments, and sends your organization a donation cheque. The Minto Chamber manages the paperwork - your group just sells and distributes gift certificates. This is a meaningful and efficient way to acknowledge the vitality local businesses add to our community.

"The Harriston Horticultural Society has run 10 very successful Think Minto First fundraising programs, which has given our organization much needed funds to continue to beautify the community. Unlike some other fundraisers we have tried, the gift certificates were easy to sell because there was a range of businesses participating and people want to support our business community. And the Chamber took care of all the paperwork to process our fundraising efforts! I would highly recommend this program for groups and organizations looking for a creative way to raise funds while keeping support in our community."

- SUE BRIDGE, HARRISTON  
HORTICULTURAL SOCIETY

# CLIFFORD CONNECTS

Well known for its several unique shopping destinations – including antiques, home decor, and a gallery – Clifford's strong sense of community and dedicated volunteer base make it stand out among other small communities.

[cliffordconnects.ca](http://cliffordconnects.ca)

**T**he village of Clifford was founded around 1855 as Minto Village. After the opening of the post office in 1856, the settlement was renamed Clifford by the first postmaster Francis Brown after Clifford in West Yorkshire, England. Clifford was incorporated as a village in 1873. In 1999, Clifford was amalgamated with Palmerston, Harriston and Minto Township to create the Town of Minto.

Home to Wightman Telecom, the Wightman family has owned and operated a communication system in Clifford since 1908, with a telephone system that was originally operated out of a kitchen in Howick Township. The company is now involved heavily in high speed fibre-optic internet, cable, and telephone throughout areas of Southwestern Ontario.

Well known for its restaurants, green spaces, and several unique shopping destinations – including antiques, home decor, and a gallery – Clifford's strong sense of community and dedicated volunteer base make it stand out among other small communities.

# CLIFFORD COMMUNITY PANTRY

Launched in July 2024, Clifford Community Pantry provides non-perishable and food items and personal hygiene products.

Anyone is welcome to donate or take from the community pantry, as needed. If you're in need of something, you're welcome to take it, and if you have extra, you can leave it for someone else who may need it.

The Clifford Community Pantry is an initiative of the Diversity, Equity, and Inclusion Committee. The pantry is monitored by volunteers.

The artwork on the pantry, sponsored by Minto Pride and the Clifford Connects downtown revitalization committee, was completed by local Norwell DSS student Shayne Lamont.

From businesses, residents and service clubs, to local talent and Town of Minto staff, this is truly a community-led movement to revitalize downtown Harriston so it's a fun destination for all!

**H**arriston is in the heart of Minto, located in the middle of the municipality, halfway between Clifford and Palmerston.

A grass roots, community revitalization has been underway in recent years, bringing together businesses, residents, service clubs, and local talent. Harriston has a little bit of everything – and something for everyone.

## harriston hot spots

### TANNERY PARK

Tannery Park is a quiet spot to sit and take in the bustle of downtown Harriston, while also being the hub for Harriston Rising community initiatives. Watch for seasonal displays and photo booths to snap pics throughout the year!

### COOL CONES CRAWL

A nod to York Ice Cream production in Harriston, the self-guided “Cool Cones” Crawl features three dimensional metal ice cream cone sculptures that have been topped with the art and craftwork of ten artists, creating unique works of art throughout the downtown core. What could be cooler?

### MINTO ARTS GALLERY

Want a bit of culture to go with your cool cone? Harriston's outside public art is just the beginning; don't miss the Minto Arts Gallery on the 3rd floor of the Harriston Library for exhibitions featuring regional and national artists.

### PRIDE OF THE COMMUNITY

With its many murals, public art, and colourful seasonal decorations, Harriston wasn't about to let its asphalt go unnoticed. The colourful crosswalk at Elora and Young Streets was provided by the Minto Pride Committee through extensive fundraising, and demonstrates Minto's commitment to becoming a welcoming and inclusive community that stands up to hate.

### SELFIE CENTRAL

Murals, public art and seasonal selfie spots are ripe for the picking in downtown Harriston! You'll find brightly coloured backdrops throughout the community to strike your best pose. Add the #harristonrising hashtag to your post to be featured on our social media accounts!

# all aboard palmerston

At the junction of fascinating history and vibrant community spirit, Palmerston honours its railway heritage in creative and collaborative ways - here are just a few of the downtown destinations that make us say #AllAboardPalmerston!

## **PALMERSTON'S TURNING 150!**

Join us for Palmerston Homecoming Weekend, from August 1 - 4, 2025. Celebrations will include a parade, evening musical entertainment, community breakfast, handcar races, and so much more! Follow event updates on Facebook by searching "Palmerston Homecoming 2025". See you there!

## **IT ALL HAPPENS AT THE STATION!**

Whether you're a railway aficionado or a first-time passenger, visiting the Palmerston Railway Heritage Museum is an immersion in all things railway - from historical artifacts to handcar rides. The museum is housed inside the original station building, which is surrounded by the stunning Palmerston Lions Heritage Park, including Ontario's only pedestrian train bridge. Visit on a summer Saturday morning, and pick up local produce at the Minto Farmers' Market.

## **TRENDY TRAINS**

"Trendy Trains" is a public art project featuring 10 artists who have added their art and craftwork to a steel train sculpture, creating unique works of art to celebrate Palmerston's local railway heritage. Take a self-guided tour while the trains are on display throughout Palmerston from June - October.

## **POPPY ART PROJECT**

What began as a small way to honour war veterans quickly turned into a community-wide project. More than 3,500 crocheted poppies create a blanket that covers Old 81 in downtown Palmerston. The poppies are on display in November as part of Remembrance Day.

Experience Wellington County's only original railway station and one of the few designated as a railway museum in this part of Ontario!

The Palmerston Railway Station was one of the first buildings in Palmerston and was built as a one story structure in 1871. The station is now a museum of railway memorabilia for GTR/CNR out of Palmerston,

and features an extensive collection of railway and local history artifacts, donated almost entirely by railway workers or their families.

The Museum is also home to materials available for genealogical research.

Plus, free miniature train and handcar rides are available upon request (weather permitting) from on Wednesdays to Sundays, from June through August.

You can also hop aboard the mini train ride Saturday mornings as part of the Minto Farmers' Market experience or at our special events.

Minto's three communities each have a rich history connected by agriculture, the railway and commerce. Our heritage is celebrated and preserved by dedicated volunteers through the Harriston Historical Society and Palmerston Railway Heritage Museum, as well as special activities and events to keep our history alive.

# libraries

The Town of Minto is home to three branches of the Wellington County Library system, including Clifford, Harriston and Palmerston. Both the Harriston and Palmerston branches are Carnegie libraries, and have enjoyed the patronage of generations since Andrew Carnegie's initial investment in the early 1900s.

The mission of the Library is "to enhance the knowledge, skills, enterprise, and enjoyment of the people of Wellington County through the provision of high quality library service." Year after year, community use of the Library grows.

You can search the Library's collection, place holds, renew items, review your library account and more by going to our online Library Catalogue ([wellington.ca/catalogue](http://wellington.ca/catalogue)). Our branches are all connected. This means if there's a book or DVD you want at another branch, we'll ship it to your branch for you to borrow.

Visit [www.wellington.ca/library](http://www.wellington.ca/library) for more information about the Wellington County Library system.

## collections

Beyond the latest releases of books, eBooks, audiobooks, and DVDs, you can also borrow videogames, board games, park passes, musical instruments, book club sets, iPads, Chromebooks, and maker kits. Your library card also gives you access to online resources and databases, including Ancestry for genealogical research, Kanopy for streaming content, and Mango Languages to learn a new language.

## computers & Wi-Fi

All Wellington County Library branches have computers with internet access available for use. Surf the web, print, fax, scan, access the library's databases or search the catalogue. Wi-Fi is also available at all Wellington County Library branches. Bring your laptop or mobile device into any branch for free, high speed, wireless access to the internet. Or, borrow one of our wireless hotspots for free, unlimited internet at home.

## programming

Wellington County Library offers programming for children of all ages, tweens, teens, and adults. Visit [wellington.libnet.info/events](http://wellington.libnet.info/events) for more information on programming at your local branch, and register for programmes online or by calling your branch.

# parks & trails

With more than 19 km of trails and 8 parks and playgrounds across Minto's three communities, there's green space galore to get outside, get active and enjoy every season. Here are just a few must-visit spots.

## CLIFFORD ROTARY CELEBRATION SQUARE

*Elora Street and Allan Street,  
Downtown Clifford*

Situated in the heart of downtown Clifford, Celebration Square is an inviting spot to pay a visit to. There are places to sit for a rest or a snack, historical plaques to view, and gardens to enjoy.

Given its high-profile location in downtown Clifford, Celebration Square has become the 'go to' site for events and programming year-round. Visit [cliffordconnects.ca](http://cliffordconnects.ca) to view the annual schedule.

Clifford Rotary Celebration Square was funded through contributions from:

- The Government of Canada's Healthy Communities Initiative
- Community Revitalization Fund
- Clifford Rotary Club
- Clifford Firefighters Association

## TANNERY PARK

*Elora Street, Downtown Harriston*

A tranquil space tucked into Harriston's bustling downtown, Tannery Park is situated directly above the Maitland River. There are several seating options where you can pause to enjoy this setting.

Photos and plaques located here illustrate elements of Harriston's history, and colourful garden plantings are showcased during the summer.

Tannery Park is the hub for numerous Harriston Rising community initiatives and events.

Watch for seasonal displays and photo booths that provide some fun opportunities to snap those selfies throughout the year!

### additional park spaces in harriston:

## *LIONS HERITAGE PARK*

166 William Street, Palmerston

Lions Heritage Park, a large multi-use park in the centre of Palmerston, has become a gathering place for families, friends and visitors alike.

A multitude of recreational opportunities are incorporated into this expansive space including a sports pad for basketball and ball hockey, a swimming pool, a tennis court, as well as a playground and splash pad for kids. Additional amenities include many benches, picnic tables, and a full-size pavilion suitable for family gatherings. Look for a large cascading water feature, and some colourful murals here too!

The Lions Club of Palmerston has provided a fully lit brick path that spans the entire park. From Old 81 at Main Street this path winds its way though to the Fire Station on King Street, linking the components of the park together. Historical plaques can be found throughout, which provide a glimpse of Palmerston's past through pictures and stories.

Focal points in this park include a restored railway station (now the Palmerston Railway Museum) and the impressive pedestrian railway bridge – the only one remaining in Ontario.

In 2013, Palmerston Lions Heritage Park was awarded the Butchart Gardens Land Reclamation Award through the Communities in Bloom program. We are incredibly fortunate to benefit from both the recreational opportunities this park provides, as well as the monumental role it plays in preserving Palmerston's Railway heritage.

### **additional park spaces in palmerston:**

- Lawrence Park Playground (320 Boulton St.)

# parks & trails

## HARRISTON GREENWAY TRAIL

### *HARRISTON GREENWAY TRAIL*

The Harriston Greenway Trail provides outdoor enthusiasts plenty of options to take in the sights and sounds of nature.

Several community parks and properties along the Maitland River, sections of the former CN and CP rail lines, as well as a hardwood bush in the Harriston Cemetery are included in this diverse trail network. Several private landowners generously permit the use of trails that run on their properties to enhance the Greenway Trail system. Surfaces vary and include former rail bed sections, some mowed pathways, and some natural surface trails.

The rustic gazebo in the IODE Park on John St. N. is an inviting meeting point to begin your hike through the West End Trails, or to pause for a riverside picnic in the shade.

To connect to the White's Junction Trail, follow Wellington County Road 109 to the roundabout, then Wellington County Road 5 to the 7th Line.

### *THE CLIFFORD TRAIL*

The Clifford Trail is composed of multiple loops offering users different experiences.

You can find the trailhead for the Clifford Trail along with ample parking at Clifford Rotary Park. Adjacent to this is the Rotary Park Loop which is a level path on mowed grass. Hiking here you will loop around sports fields, along a stream, and under trees. You may choose to venture to the nearby Regrowth Loop which is located at the end of James Street East. The initial section here offers a level surface, or you may choose to venture beyond through more natural terrain with some changes in elevation. Many young trees have been started here to establish habitat, protection, and shade cover. On the opposite end of Clifford, the Park Street Extension also consists of a mowed grass surface. This is a short trek alongside farm fields, and with some tree cover.

The remaining section of the Clifford Trail is the Rail Line Loop which runs primarily along a former rail bed from West Heritage Road at the northwest end through to Park Street at the southwest edge of Clifford. From Park Street you might pause to appreciate Old Rotary Park or venture out of town as far as the 13th Line.

REGROWTH LOOP,  
(CLIFFORD)

WHITE'S JUNCTION TRAIL  
(PALMERSTON)

### *WHITE'S JUNCTION TRAIL (PALMERSTON)*

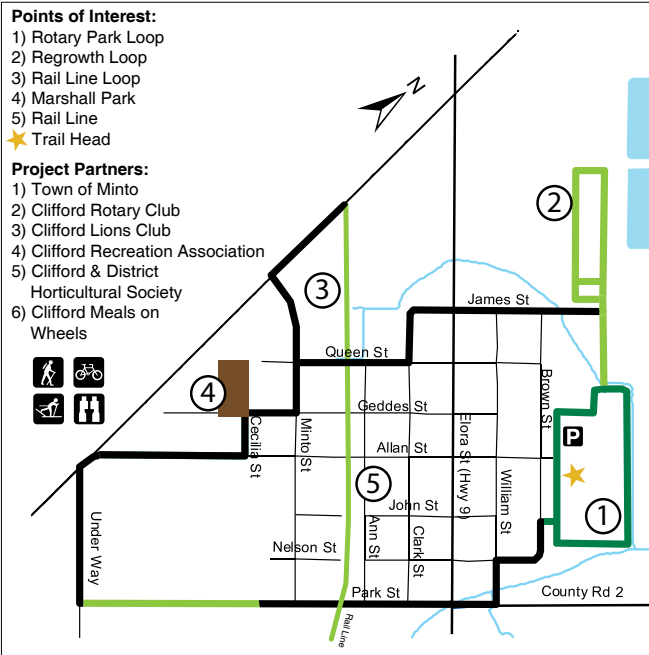

The White's Junction Trail runs along the former CN rail line heading north out of Palmerston as far as the 7th Line.

Look for the Old 81 steam engine at the front of the Palmerston Lions Heritage Park. To access the trail, follow the signs on Main Street Palmerston, across from the Foodland grocery store. The trail begins formally one block north at Inkerman Street where the trail head sign is located.

Much of this trail boasts a wide and level aggregate surface. It is the longest continuous trail section within the Town of Minto, and the most suitable for cycling. Watch for clusters of trilliums blooming in the Spring, many birdhouses located further out of town, and benches to enjoy a break from your hike or ride. A notable landmark along this trail is a pedestrian trestle bridge located between the 3rd Line and 5th Line.

To connect to the Harriston Greenway Trail, follow the White's Junction Trail to the 7th Line, then east to Wellington County Road 5, to the roundabout and in to Harriston by way of Wellington County Road 109.

CLIFFORD TRAIL

CYCLING

In 2024, Wellington County launched seven new signature cycling routes for riders of all levels –including one in Minto. The new signature cycling routes make the most of the region’s rail trails, take riders on scenic rural roads, to beautiful lookouts, and to unique businesses and destinations worth every pedal stroke to get there.

WHITE’S JUNCTION TRAIL (PALMERSTON)

HARRISTON GREENWAY TRAIL

**Minto Town and Country Tour**  
**Distance: 70km**  
**Experience Level: Intermediate/Advanced**  
**Route Surfaces: 96% paved, 4% hard-surfaced tar and chip**

This ride explores the charming towns and countryside of Minto: Clifford, Harriston and Palmerston. Start in Palmerston at CNR Park and the Railway Heritage Museum. Cycle on Wellington Road 5 to Harriston or use the Whites Junction trail for a quieter route. In Harriston, visit unique shops like May’s Cafe at the Old Post (39 Elora St. S.) and Eh-2-Zed (10 Elora St. S.).

For a shorter 36km route, take Wellington Road 9 to 11th Line. For the full loop, enjoy the scenic 16th Line. Arrive in Clifford to visit Wesley Bates Gallery and West Meadow Press. Explore local businesses, then return to Palmerston through scenic countryside. If you haven’t already, make sure to spend some time at the unique Palmerston Railway Heritage Museum (seasonal).
