*By working together,  
we make a difference!*

The Minto Chamber of Commerce was formed in 1999 following the amalgamation of the communities of Clifford, Harriston, Palmerston and Minto Township into the new Town of Minto.

As a larger group with representation from every corner of the town and businesses of all sizes, we work closely with local government and other organizations to ensure the voice of local business is heard and plays a role in the future direction of our community.

The Minto Chamber of Commerce depends on the support of the local business community and active participation from many of the members to pursue our worthy mission.

# Saturday in Minto

CLIFFORD  
EDITION

Featuring  
**WESLEY BATES**  
ARTIST & GALLERY OWNER

Whether you're a local or a tourist, weekends are one of the best times to explore our community. We asked a few local business owners (and Minto Chamber members!) to act as tour guides and share how they spend their ideal Saturday in Minto.

Wesley Bates is an artist and wood engraver who works full time as a printmaker and letterpress printer under his own imprint at West Meadow Press in Clifford. His wood engraved prints have been exhibited widely and are held in public and private collections around the world, and he has illustrated books for major publishers in Canada and the United States. A visit to Clifford simply isn't complete without a visit to the Wesley Bates Gallery, where you'll be greeted warmly by its namesake who always has an engaging and remarkable story to tell.

## ERRANDS IN HARRISTON

I live in Clifford and a typical Saturday often includes a visit to stores in Clifford and Harriston. After a dump run, picking up prescriptions at Acheson's (16 Elora St. S, Harriston), choosing smoked pork chops and beef at Harriston Packers (142 Arthur St. W), and gathering other supplies at Foodland (9 Elora St. S), I take the scenic route home.

## REROOT ORGANIC FARM

When I head back to Clifford I head up Highway 9 to the 11 Line, hang a left and go to Reroot Organic Farm (5642 11 Line, Harriston) for fresh organic eggs. Reroot is a special place because I have watched Caitlin Hall and her husband Tony grow and shape their farm into a thriving business.

## THE SCENIC ROUTE

I take the back roads home not simply to avoid the traffic on Highway 9 but because I love the scenery that surrounds us. The farms are productive and varied. I pass by sheep, cattle, grain mills, and horse riding stables.

## NEW KID ON THE BLOCK

The newest addition to Clifford's shopping stop is the Clifford Country Store (38 Elora St. N). It is a lovely and fresh space featuring an artisan market place, fresh seasonal produce, and locally made foods. I was delighted to find so many innovative and accomplished artisans represented in the store.

## THE RED EXPRESS MARKET

Back in Clifford, I pull in at the Red Express (21 Elora St. S) because that is where our LCBO is. You can get an excellent New Zealand Chardonnay there, as well as all the standard beers and liquor. The Red Express also carries the best Kalamata olives and gluten-free hamburger buns.

## FLYING INTO THE ROOSTER'S PERCH

Down the street, I can't pass by The Rooster's Perch (30 Elora St. N). It is a "poke arounders'" paradise. I am in there often and everytime I see something that I hadn't noticed the last time I was in.

## DINNER DECISIONS

Clifford is a small town but it's big on restaurants – we have three. The Smokin' Pig (47 Elora St. S) has great Tex-Mex dishes. Gramma Jo's (3 Elora St. N) is a great family restaurant, and Clifford Takeout (29 Elora St. N) has gluten-free pizza that's always excellent and on time.

### THE NORGAN THEATRE

275 Main St. W, Palmerston  
 norgantheatre.com  
 (519) 343-3640

If ever there was a small town story made for the movies, it's the story of the Norgan Theatre. Originally opened in 1947 through a personal donation by hometown boy George Norgan, this historic film theatre was restored by volunteers, community donations and municipal funding to re-open in 2007. It remains one of the few municipally-owned theatres in Canada, operated primarily by volunteers, with regular weekend show times of the latest new releases. Repertory film selections from the TIFF Film Circuit are also shown monthly. And with its affordable ticket and concession prices (just \$8 for adults and \$5 for kids), big city picture shows have nothing on the Norgan. Pass the popcorn!

### PIKE LAKE GOLF CENTRE

9625 Pike Lake Road, Clifford  
 pikelake.com  
 (519) 338-3010

Offering two meticulously maintained and challenging golf courses, this scenic local gem has been attracting golf enthusiasts since 1961. Pike Lake is the perfect destination for the seasoned golfer and the beginner alike. With a pro shop, driving range, seasonal campground, licensed restaurant, 20-room motel and more, you'll flub your shots just to lengthen your visit.

Local fans of this Friday-dinner-plan hotspot know better than to try to phone in a takeout order on Friday night: it's best to make a reservation and enjoy, well, *ANYTHING* from the menu at this pub-style downtown destination. Folks drive across the county for a slice of owner Tony Tsotros' "old family recipe" 'za and authentic Greek souvlaki dinners, served inside the historic Collision House hotel. Still can't get through on Friday night? The food tastes just as great any other day or night of the week.

### SMALL TOWN PIZZA

135 Main St. W, Palmerston  
smalltownpizza.ca  
519-343-2500

If you want to find any town's best pizza spot, just follow the teenaged connoisseurs. In Palmerston, Norwell high school students flock to Small Town Pizza for its slices and lunch combos – and with good reason! Small Town Pizza's pies offer fresh toppings, delicious dough and a full menu of equally appetizing sides like salads, wraps and wings. Located across the street from Palmerston's Lions' Heritage Park, Small Town Pizza also makes perfect picnic fare.

# Saturday in Minto

HARRISTON  
EDITION

Featuring  
**DR. SHAWN McDONALD**  
MCDONALD CHIROPRACTIC

Whether you're a local or a tourist, weekends are one of the best times to explore our community. We asked a few local business owners (and Minto Chamber members!) to act as tour guides and share how they spend their ideal Saturday in Minto.

A hometown boy who returned to Harriston after completing his extensive education as a Doctor of Chiropractic, Dr. Shawn helps restore his patients health and function from his much-revered chiropractic practice in the Lions' Medical Centre (16 John St. N, Harriston). When he's not playing baseball, golfing, practicing yoga, or hanging with his family, Dr. Shawn volunteers with the Harriston Kinsmen and Minto Chamber Board of Directors (he'll be Chair starting in February 2023).

## LIONS' PARK

Lions' Park (corner of Arthur St. W., and John St. N.) is right outside the clinic door. I meet my wife Paige and daughter Maeve there for family hangs.

## COFFEE AND SNACKS AT CAFE AT THE OLD POST

We grab a coffee and something to snack on from the Café at the Old Post (39 Elora St. S.). Paige orders a decaf vanilla latte, and I order the opposite: a heavily caffeinated hazelnut latte.

## TREASURE HUNTING

We're fuelled up, and ready to explore some more. We pop in to Davies' Antiques (43 Elora St. S.) and Real Neat Stuff (42 Elora St. S.) to look for cool vintage finds for our home and sports memorabilia.

## WORKIN' FOR THE WEEKEND

My Saturdays usually start with working a few hours in the morning at the Harriston clinic, helping as many people as I can.

## PUBLIC ART IN DOWNTOWN HARRISTON

We enjoy going for a walk through the newly decorated downtown Harriston, looking at all the vibrant colours of the murals and public art.

## CATCHING UP WITH UNCLE CURT

Our final stop is Leslie Motors (73 Elora St. S.) to visit my brother, Curt McDonald (#yourcarguycurt), and see how his day is going. We make plans to grab takeout – panzerottis at Harry Stones (19 Elora St. S.) – and meetup for more family time.

The Barrel House offers woodworking, decor, and barrel aged ingredients such as vinegars, salts, and more. Pop in for a delicious cinnamon bun or butter tart made with whiskey barrel-seasoned sugar, and expect to leave with two new small town pals.

# Saturday in Minto

PALMERSTON  
EDITION

Featuring

JENNIFER RUDINAC, RMT  
FEEL ALIVE WELLNESS STATION

Whether you're a local or a tourist, weekends are one of the best times to explore our community. We asked a few local business owners (and Minto Chamber members!) to act as tour guides and share how they spend their ideal Saturday in Minto.

After years of riding the rails of non-stop city life, mismatched schedules, and careers that took them around the world, Jennifer and her husband Nikola were ready for a new way of living. They found Palmerston when they got lost on a Sunday drive, and loved the town's slower pace, big open skies and fresh air. They made the move in 2019, and opened Feel Alive Wellness Station in downtown Palmerston in 2021. The wellness destination blends Nikola's café expertise with Jennifer's skills as a registered massage therapist. Jennifer says these Saturday stops are her favourite routine of the week!

## SMOOTHIE STATION

Saturdays (and most other days of the week!) always start at Feel Alive Wellness Station (209 Main St. W), the coffee/smoothie bar and massage clinic I own with my husband, Nikola. I grab a "Joyous Strawberry" smoothie for my daughter Divna, and an "Avocado Wish" with matcha for myself. We hang out as a family and watch the town wake up.

## IT'S THE LITTLE THINGS

Teenie Tiny Tots Children's Shop (219 Main St. W) is my favourite local place to find good quality new and gently used clothes and toys, and healthy snacks, for Divna. There's a great selection of new handmade items too.

## FOREST BATHING

We always take the White's Junction Trail on our walk home. I love being in nature and it's so awesome to have this trail accessible right in the middle of town.

## TO MARKET, TO MARKET

I love that this market is 100% local and in-season! We always stop so Divna can chill with the horses used by Mennonite vendors. We pick up ingredients to make soup for our family who love visiting from the city.

## PARK PITSTOP

Divna and I take a walk through Palmerston Lions' Heritage Park (Main St. E). Sometimes we'll make a stop at the splash pad and playground on our way to the Minto Farmers' Market (164 William St. at the Palmerston Railway Heritage Museum).

# Think Minto First

## FUNDRAISING PROGRAM

The two drivers of thriving small communities are engaged local businesses and not-for-profit organizations run by volunteers. This program brings these two groups together to support one another, keeping more money in Minto.

### FOR BUSINESSES

Sign up for the Think Minto First program by offering a percentage donation on gift certificate sales made by local not-for-profit organizations.

At the end of each fundraising program, the Chamber sends you a cheque for gift certificate sales less your donation amount. **This is a meaningful and efficient way to support the many groups that enrich our community.**

### FOR ORGANIZATIONS

Your organization's volunteers sell gift certificates to participating Minto businesses. The Chamber helps manage the fundraising program by compiling orders and payments, and sends your organization a donation cheque. The Minto Chamber manages the paperwork - your group just sells and distributes gift certificates. **This is a meaningful and efficient way to acknowledge the vitality local businesses add to our community.**

## A FUNDRAISING SUCCESS STORY!

*"The Harriston Horticultural Society has run 10 very successful Think Minto First fundraising programs, which has given our organization much needed funds to continue to beautify the community. Unlike some other fundraisers we have tried, the gift certificates were easy to sell because there was a range of businesses participating and people want to support our business community. And the Chamber took care of all the paperwork to process our fundraising efforts! I would highly recommend this program for groups and organizations looking for a creative way to raise funds while keeping support in our community."*

– Sue Bridge, Harriston Horticultural Society
